DATE: 23 APRIL 2008

Hey there all you JYTSMP's can you believe 1st term is already over and we are into week 3 of term 2!!!!

The students had an exciting last lesson of term one and most classes had a lesson in song writing where as a class they wrote a song about the JYTS. We are in the process of getting each child a copy for you to hear, and from these songs we have joined sections and created our own JYTSMP theme song that we will release at the concert!!!! That is sooo EXCITING.

IMPORTANT MUST READ

This year there have been many students arriving to class well after class commences this especially applies on a SATURDAY morning. The Time of your class is the time the class starts not what time you should be arriving, let alone getting yourself ready in the foyer with hair, shoes etc... I realize that the car park on a SAT is extremely busy so please take this into consideration and arrive 10 minutes before 9.00 to ensure you are there for the commencement of class and are also ready to start at the start of your class. It is very disruptive to students and teachers when you come into a class room late.

Please also ensure that your hair is tied up with an elastic not just your headband and that for **ALL ballet classes hair is worn in a BUN!!!!**

Sadly this Term we have said GOODBYE to Harley Grbin who was a longstanding teacher at the school. Harley taught Jazz tap and hip hop on a Wed, Thurs and Sat. Although we are all sad to see Harley leave we wish him the very best with all he endeavors to do. I know that leaving was not an easy decision for him to make but he had to do what was best for him. Although we have lost a great teacher we are very fortunate to have Kim Oikawa take over the majority of Harley's classes which is very exciting. Kim is a great teacher with a wealth of knowledge and experience. Kim is very excited to be teaching the majority of classes at the JYTSMP. If anyone has any issues with the change of staff please feel free to speak with Sally.
