Well I hope that you all had a relaxing time over the school holiday's I know I did. I'd like to send out a welcome to all the new students that have commenced classes with JYTSMP this term and say welcome to our family, it's lovely to have you onboard.

CHANGES to RECEPTION

Please note that due to reasons beyond our control our reception desk will only be available for the *first 3 weeks* of each term. This will mean that all payments will need to be made by the end of the 3rd week. Please note that all invoices have been sent out over the holidays so if you did NOT receive an invoice in the mail we DO NOT have your updated address on file, so please obtain, complete and return to Sally an enrolment form.

Due to the changes with reception and the fact that our office is in a Secondary College our telephone is not always able to be answered, however we do check the messages regularly so if there is anything please leave a message and someone will get back to you. If your matter is URGENT please contact SALLY on 0416 158 726. Please use this number only for urgent matters thank-you.

CARLY'S STRETCH & STRENGTHEN PROGRAM

Below is a list of the Stretch Program that Carly has given to several of her Private dance students to work on over the holiday's. We have found that the students who actually use the program daily have increased their flexibility dramatically. We recommend all students use this program daily from now until the end of the year concert (there is approximately 22 weeks) and see the results for yourself. If you are already flat in a split speak to Carly about what else you can do to increase your flexibility. Also if you are unsure of what one or more of the tasks are feel free to ask one of the teachers they are there to assist you.
