Christmas joy warms the heart

CONCERT TICKETS

It is very sad to say that Concert ticket sales for concert 2 have been extremely poor which is really sad for the students performing in that concert. As a performer there is nothing greater than performing to a large cheering crowd, and nothing worse than performing to a small number of people where the cheering just seems dull.

I know that during these times money is very tight and we have tried to keep additional costs to a minimum by forgoing the chocolate drive and the Dinner Dance this year so there was quite a lot of money saved there.

It would be great if EACH performer in concert 2 could sell just 1 or 2 more tickets to ensure that the concert is a great experience for you.

UNIFORM

Please ensure that all students attend photo day, stage rehearsal and the concert wearing their uniform. I know that there are variations on the uniform and that is fine for stage rehearsal however for the concert the JYTSMP singlet and black 3/4 or Jazz pants must be worn as it is also worn for the Finale.
