Hey there Guys well preparations are underway for the end of year Concert and it is VERY important that all students attend all classes to ensure that routines can be taught and not retaught. ALL students should be practicing there work at home. Please note if you do need to miss a week for illness please ensure that you check that there were no important letters given out or no costume fittings missed. Remember it is your responsibility to keep yourself informed with what's happening ensure you write important dates in your diary or somewhere you will remember. Also within the next week or so there will be the lists up on the board telling you which concert you will be in remember if your son/daughter does more than one class ensure that you check all hi/her classes and same if you have more than one child don't just assume they are both in the same concert, we do our best to accommodate as many people as possible however sometimes it is not possible.

Musical Theatre classes:

We are looking at commencing Musical theatre classes at the JYTSMP to be taught by non other than Sophie Katinis Star of Miss Saigon, Stupid Stupid Man, Out of the Blue and most famously known for the AAMI commercials where she is waiting to be married to TODD.

Sophie Is a Graduate of WAAPA and has kindly offered her services to OUR SCHOOL, however if there are not enough numbers wanting to do the class then she will teach at another school, so PLEASE lets not let this opportunity slip through our fingers and if you are interested in musical theatre classes then leave your name and days available with MARILYN within the next 2 weeks so that we can get the class started. (please ensure you are clear with your availabilities as we did commence a ballet class recently and all of a sudden people were unable to do that class)

For those of you wondering what MUSICAL THEATRE classes are picture the stage productions like LiON KING, PRISCILLA, and WICKED and think about all the different skills required, of course there is singing and dancing, but there is also acting voice projection audition skills to actually get into the show and so much more.

So See Marilyn but be quick as there are limited places!!!!

PLEASE ENSURE

There are to be NO mobile phones in classrooms they are to be switched to silent and left in bags. If you need to contact your child during class time please contact the office.

All students must use the TOILET before class to avoid interruptions especially all tiny tots as when one goes they all need to go .
