

## JOHNNY YOUNG TALENT SCHOOL-MILL PARK- DRESS CODE & ATTIRE POLICY

### SINGLET TOP/HEADBAND

In order that they are easily identified as students of the school, it is compulsory for all children at the school to purchase and wear a JYTS -Mill Park- Singlet top as a uniform over their leotard and stockings. These items are available from the front desk at cost price of \$25 (GST inclusive) for singlet tops and \$4 (GST inclusive) for headbands.

### PANTS

Black lycra Jazz pants are to be worn to class by all students as their uniform over their leotard and stockings. No jeans or pants with belts, buckles or zippers are to be worn. Jazz pants can be purchased from the dancewear section of Target, at any dancewear shop or through the school at cost price if desired by trying on a sample pair and then placing an order. Please inquire at front desk.

### LEOTARD

It is compulsory for all students except Tiny Tots to wear a sleeveless black lycra leotard and tan/black/pink stockings to their dance class. A black lycra long sleeved crossover is optional but may be worn for warmth. Leotards can be purchased from the dancewear section of Target, at any dancewear shop or through the school's costume designer if desired. Please inquire at front desk for this option.

### FOOTWEAR

It is your responsibility to provide appropriate footwear for your child. Tiny Tots are to wear white socks with pink ballet shoes. Children in Mainstream classes are required to wear white socks with black full-soled lace up jazz shoes. Please replace laces with thin black elastic or black hat elastic to make them easy to slip on and off and to avoid tripping over laces if they come undone. Some 2<sup>nd</sup> hand shoes are available from the front desk. (When you purchase new shoes for your child as they grow please bring in the old ones and we will sell them for you for around \$20 if in good condition).

### STOCKINGS

Both Pink ballet stockings(if required) and tan stockings are available from reception. We have negotiated a price that is cheaper than purchasing from the dancewear shops and sell at cost price for your convenience.

### HAIR

Hair should be pulled back off the face.

Please label all items of clothing and footwear clearly with your child's name and have them bring a bag to class to place the t-shirt/singlet top and jazz pants in while in dance class. Your child will be required to put these clothing items back on at the completion of their dance class to attend singing class or to return to foyer to go home.
