

JOHNNY YOUNG TALENT SCHOOL-MILL PARK- FEE POLICY

- All fees are due and payable on the 1st week of each block/term.
- All fees are based on the payment for the entire block/term. No refunds of any part of these fees will be given for any reason, but if paid on 1st week a 5% discount will be given.
- If a student withdraws from the school during the term he/she is still liable for payment of the full fees for the term regardless of how many classes have been attended.
- To avoid having to pay a full term's fees, the school must be notified in writing or by telephone before the commencement of Week 1 classes that a student is not returning to class. This is to ensure our students on the waiting list can take up the place immediately.
- For those parents who have difficulty paying by Week 1 of each block, a special arrangement for payment by instalments or weekly can be requested by speaking to Marilyn at reception. This request will need to be submitted on a signed Payment Arrangement form available at reception.
- If approved, the terms of the Payment Arrangement need to be adhered to strictly unless a subsequent request for it to be altered has been authorized.
- If paying weekly and a class is missed, it must be paid for immediately upon return to classes along with the normal weekly payment.
- Payment of all fees must be received by the last class of the term as no child will be permitted to attend the next term if there are any fees outstanding from the previous term.

PLEASE NOTE

All students who are enrolled at the Johnny Young Talent School at the end of Week 3 of Block 3(Term 3) are expected to pay the costume fee for concert costumes and Block 3 & 4 class fees in full even if withdrawn from the school after this day, as this is when we commence the sewing of concert costumes and rehearsing concert items. To avoid having to pay these charges, please do not have your child return to classes on Week 1 of Block 3 unless you are certain that he/she is remaining at JYTS until the end of the year.

*****NB***** A concert fund is available for payments to be made towards concert costume fees/concert tickets/concert photos/concert DVDs.(Please see Marilyn at reception for further information)
